

## SANITARY PRODUCT SHEET

CLEANER, DEGREASER, DISINFECTANT  
FOR HARD SURFACES

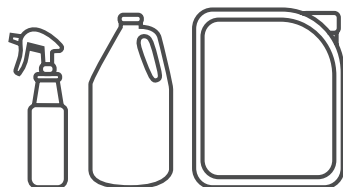

## CLEANER, DEGREASER, DISINFECTANT FOR HARD SURFACES

This heavy-duty quaternary ammonium-based hard surface cleaner, degreaser, disinfectant is ideal for cleaning and disinfecting in one step. Its odourless triple action formula is recommended for industrial and commercial use. It removes the toughest grease, grime, stains, and bacteria and does not contain any bleach or corrosive chemicals. It is excellent to use on hard non-porous surfaces such as: floors, walls, counters, machinery, tools, equipment, toilets, plastic, ceramic, metal and more.

### FEATURES

- Deep cleans, kills germs, viruses, and bacteria in a single action
- Eliminates grease, grime, stains
- Contains no bleach or corrosive chemicals
- Powerful degreasing agent replaces high solvent-volume degreasers
- Removes grease, oil, dust, dirt, mould and more

- CROMSON Sanitary is a new range of ready-to-use products made in Canada, meeting today's disinfecting and sanitizing needs for hard surfaces and hand hygiene.
- The range consists of three products: a 70% alcohol-based disinfectant gel, a 70% alcohol-based hard surface cleaner and a heavy-duty cleaner, degreaser, and disinfectant for hard surfaces.
- We care about your health, which is why only quality Health Canada approved ingredients are used in the manufacturing of our products.
- The product formulations have been developed to maximize your comfort and well-being.
- In that respect, all our formulas are fragrance-free, allowing for a daily use of the products without any exposure to unpleasant odours.
- Several sizes are available to meet the needs of your daily reality. Whether in the plant, on a construction site, in your vehicle, at work or even at home, our offer is adapted to your reality.
