

## SANITARY PRODUCT SHEET

### 70% ALCOHOL-BASED HAND SANITIZER WITH MOISTURIZER AND VITAMIN E

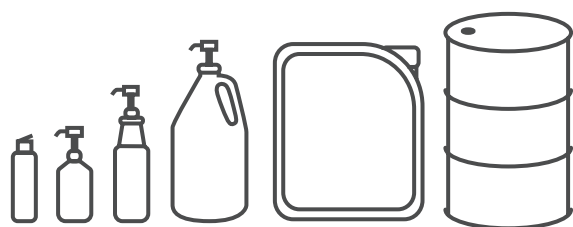

## 70% ALCOHOL-BASED HAND SANITIZER WITH MOISTURIZER AND VITAMIN E

The Cromson 70% alcohol-based hand sanitizer gel is made with premium food-grade alcohol that is odourless. Approved by Health Canada, this gel kills harmful germs and bacteria. Enriched with a moisturizer and vitamin E, this solution permits a daily use while preventing skin dryness and the risk of dermatosis.

- Cromson Sanitary is a new range of ready-to-use products made in Canada, meeting today's disinfecting and sanitizing needs for hard surfaces and hand hygiene.
- The range consists of three products: a 70% alcohol-based disinfectant gel, a 70% alcohol-based hard surface cleaner and a heavy-duty cleaner, degreaser, and disinfectant for hard surfaces.
- We care about your health, which is why only quality Health Canada approved ingredients are used in the manufacturing of our products.
- The product formulations have been developed to maximize your comfort and well-being.
- In that respect, all our formulas are fragrance-free, allowing for a daily use of the products without any exposure to unpleasant odours.
- Several sizes are available to meet the needs of your daily reality. Whether in the plant, on a construction site, in your vehicle, at work or even at home, our offer is adapted to your reality.
